**Judging session of the WORLD KOMBUCHA AWARDS (WKA) has finished**

On the 16<sup>th</sup> of September 2023 the judging of the first edition of the World Kombucha Awards has taken place. It's a competition that has been opened to all international kombucha manufacturers and organized by Kombucha Events, S.L.

The judging event has taken place at Restaurant Robert de Nola in Caldes de Montbui, Barcelona, Spain and the judges have tasted up to 150 Kombuchas from 22 different countries.

The panel of judges was made up of renowned judges in different competitions, as well as sector experts, qualified tasting experts and end consumers with sensory experience. The competition, rewards the best kombuchas in the different categories, so the WKA seal recognizes the quality and all the good work being carried out in the sector, emphasizing its sellability, because the awarded Kombuchas not only reward the quality, but also are those that end consumers will appreciate among others.

If you want to know who the winners are, you will have to wait few more days and it will not be until October 21 that the award ceremony will take place at the Casino Theater in Caldes de Montbui, Barcelona. Media is welcome to come, and you only have to inform us by sending an e-mail for preregistration at [info@worldkombuchaawards.com](mailto:info@worldkombuchaawards.com)

Sincerely,

Jordi Canet
